The 17th International Joint Symposium on Artificial Intelligence and Natural Language Processing and The International Conference on Artificial Intelligence and Internet of Things

iSAI-NLP-AIoT 2022

November 5 - 7, 2022 Chiang Mai, Thailand

CALL FOR PAPERS

iSAI-NLP-AIoT 2022 provides a stage for international researchers and scholars to exchange ideas, knowledge, techniques in the field of artificial intelligence and natural language processing. The conference covers a broad range of research topics in natural language processing, data analytics, machine learning, robotics, Internet of things, embedded systems, signal, image, speech processing and smart industrial technology.

General Chairs

Thepchai Supnithi (AIAT & NECTEC, Thailand)
Mahasak Ketcham (AIAT & KMUTNB, Thailand)

Honorary Co-Chairs

Jutturit Thongpron (RMUTL, Thailand)
Yoshinori Sagisaka (WU, Japan)
Nicolai Petkov (UG, Netherlands)
Chai Wutiwiwatchai (NECTEC, Thailand)
Gasinee Witoonchart (Rector, TU, Thailand)
Tatsuya Mizukoshi (Director, Tokyo Tech ANNEX Bangkok)

Conference Co-Chairs

Thanaruk Theeramunkong (AIAT & SIIT, TU, Thailand)
Tsuyoshi Isshiki (Tokyo Tech, Japan)
Pisit Wimonthanasit (RMUTL, Thailand)

Technical Program Committee

Rachada Kongkachandra (TU, Thailand)
Weena Janratchakool, (RMUTT, Thailand)
Sanparith Marukatat (AIAT & NECTEC, Thailand)
Ekkarat Boonchieng (CMU, Thailand)
Teerasak Somsak (RMUTL, Thailand)
Dusit Thanapatay (KU, Thailand)
Supachai Vorapojpisut (TU, Thailand)
Seksan Laitrakun (SIIT, TU, Thailand)
Pisit Chanvarasuth (SIIT, TU, Thailand)

International Committee

Atsuo Yoshikata (JAIST, Japan)
Colin De La Higuera (UN, France)
Cristina Tirnauca (UC, Spain)
Marios Sioutis (JAIST, Japan)
Nguyen Hoai Son (VNU, Vietnam)
Philippe Lenca (IMT Atlantique, France)
The-Bao Pham (VNU, Vietnam)
Trung-Hieu Huynh (VGU, Vietnam)
Thatsanee Chareonporn (MU, Japan)

Topics include, but are not limited to :

- **Track 1:** Natural Language Processing
- **Track 2:** Robotics, IoT and Embedded System
- **Track 3:** Data Analytic and Machine Learning
- **Track 4:** Signal, Image and Speech Processing
- **Track 5:** Smart Energy Industrial Technologies
- **Track 6:** AI for AIoT Applications
- **Track 7:** AIoT Design and Implementation
- **Track 8:** Information and Communication Technology for AIoT Applications
- **Track 9:** Management Technology

Program Co-Chairs

Prasert Luekhong (RMUTL, Thailand)
Chutima Beokhaimook (AIAT & RSU, Thailand)
Supachai Vorapojpisut (TU, Thailand)

Publication Co-Chairs

Pokpong Songmuang (TU, Thailand)
Pratch Piyawongwisal (RMUTL, Thailand)
Worawit Funkam-ai (RMUTL, Thailand)

Organizing Committee

Thepchai Supnithi (AIAT & NECTEC, Thailand)
Uthen Kamnarn (RMUTL, Thailand)
Nopporn Patcharaprakiti (RMUTL, Thailand)
Nongnuch Ketui (AIAT & RMUTL, Thailand)
Waree Kongprawechnon (AIAT & SIIT, TU, Thailand)
Ekkarat Boonchieng (CMU, Thailand)
Vorapon Luantangsrisuk (TU, Thailand)
Somrudee Deepaisarn (SIIT, TU, Thailand)
Nattapong Tongtep (AIAT & PSU, Thailand)
